SPORTS SCHOLARSHIPS

Bangor's Sports Scholarship scheme aims to recognise and support sporting excellence and achievement. The Scholarships, which are worth up to £3,000 a year, aren't limited to any particular sport or to students on any specific courses. However, in most cases, preference will be given to those individuals who will be able to represent Bangor University in the British University and Colleges Sport (BUCS) competitions.

To be eligible for consideration for a Sports Scholarship, you must:

- Be likely to achieve a podium, or points scoring position at the appropriate BUCS championship
- Be a European, Commonwealth or World level competitor in your chosen sport
- Not currently be competing in a sport or at a level that provides prize money.

To apply for the Sports Scholarship, UCAS applicants need to complete and return the application form by 31 March 2024. More information and link to the form on the website www.bangor.ac.uk/studentfinance/info/sportsscholarships
